

How to Crack IBPS – CWE

Now, here is the most challenging yet compelling task. Crack IBPS – CWE in 3 months is this practically possible?

Yes it is possible to crack the exam in 3 months. It is hard but not un-attainable. Check below to know more.

Breaking down the study patterns like First it should be broken into Weeks then days then hours. This not only decreases stress but also gives ample time to practice various problems at the same time.

Avoid Mocking up the syllabus all at a time. Do not panic as the time left for the exam is very less.

The best methods which an exam taker can follow are as follows:

- Develop an Intense yet intuitive study plan & preparation should be top notch as the time is less.
- Simple preparation will definitely not help you. Refer multiple books.
- Practice via online Mock test & online preparation. The intensity of these tests should be gradually increased day by day to get the perfect rank.
- Quality always surpasses quantity so trust on study material which is purely quality oriented & how much knowledge can be extracted from that particular material.
- Never neglect General knowledge & Reasoning. Of course Quantitative questions are time consuming & important but GK & Reasoning should never be taken for granted.
- The core concept which lies here is how far you have covered the important topics keeping in mind the pattern of IBPS – CWE.

Even though a student tries his/her best to prepare for taking the above steps into consideration one has to prepare with quality preparation in mind & always should strive hard perfection & intense methods of preparation to crack the IBPS – CWE exam in a short span of 3 months.

Areas which a candidate should concentrate on are the following topics which carry maximum weightage. They are as follows.

Aptitude Concepts like:

1. Decimal and Fractions,
2. Simplification,
3. Percentages.
4. Ratio and Proportion.
5. Averages.
6. Interest (Simple and Compound).
7. Profit and Loss.
8. Time and distance.
9. Problems on Sharing.
10. Frequency polygon.
11. Bar-diagram.
12. Pie-chart.

Reasoning

Reasoning is the main weapon a candidate can rely upon for cracking the IBPS-CWE exam & doing it within a short span of 3 months is a tough task. It is the most scoring part of IBPS – CWE Exam so the test taker should be careful of the following:

Questions are mostly Comprehensive type so read them carefully & understand before answering.

Concentrate more on the following:

1. Venn Diagrams
2. Seating Arrangements
3. Number Series
4. Coding and de-coding
5. Problem Solving
6. Statement & Conclusions
7. Comprehension Reasoning
8. Non Verbal Reasoning.
9. Age & gender related questions.
10. Find the correct age & Problems related to symbols, Letters, Sequence etc.

General Awareness

is another hot topic of IBPS which majorly concentrates on current affairs, Political scenarios, National & international happenings etc. some of the sources where you can find them are as follows:

1. Internet (Cheap & best resource).
2. Journals & Articles.
3. Newspapers & magazines.
4. Financial reports of various countries, Comparison Charts banking news articles.

The sharper you get the best you gain knowledge which ultimately increase your chance to crack the IBPS-CWE exam with flying colors.

Computer Science

Unlike other competitive exams IBPS concentrates on decent amount of knowledge on computer science. This in turn has a major role to play in the scoring of the exams.

Candidates should look upon the following:

1. Basic of Computers
2. Computer Organization
3. Generations of computer.
4. Input & Output Devices.
5. Basic knowledge MS Office package (Along with short cuts).
6. Memory Orientation
7. Internet.
8. LAN.
9. WAN.
10. Modem, Computer Abbreviations.
11. Modern day Technology.
12. Recent trends in Computers & Allied activities.

There is one plus point for students in this part where basic knowledge is enough which means you have more time to concentrate on tougher questions of reasoning & Aptitude.

So by following the above steps you can clear the IBPS-CWE in a short span of 3 months. With ease & comfort.

All the best.
